

Livin' On Love

AJR

Two young people without a thing
Say some vows and spread their wings
Settle down with just what they need
Livin' on loveShe don't care 'bout what's in style
She just likes the way he smiles
It takes more than marble and tile
Livin' on loveLivin' on love, buyin' on time
Without somebody nothing ain't worth a dime
Just like an old fashioned story book rhyme
Livin' on loveIt sounds simple, that's what you're thinkin'
But love can walk through fire without blinkin'
It doesn't take much when you get enough
Livin' on loveTwo old people without a thing
Children gone but still they sing
Side by side in that front porch swing
Livin' on loveHe can't see anymore
And she can barely sweep the floor
Hand in hand, they'll walk through that door
Livin' on loveLivin' on love, buyin' on time
Without somebody nothing ain't worth a dime
Just like an old fashioned story book rhyme
Livin' on loveIt sounds simple, that's what you're thinkin'
But love can walk through fire without blinkin'
It doesn't take much when you get enough
Livin' on love
No, it doesn't take much when you get enough
Livin' on love
