

# Yes!

## Brock, Chad

When it started we had high hopes  
Now my back's on the line, my back's on the ropes  
When it started we were alright  
But night makes a fool of us in daylight There we were dying of frustration  
Saying, "Lord lead me not into temptation"  
But it's not easy when she turns you on  
Since they've gone If you'd only, if you'd only say yes  
Whether you will's anybody's guess  
God only God knows I'm trying my best  
But I'm just so tired of this loneliness So up they picked me by the big toe  
I was held from the rooftop, then they let it go  
If there's any screaming let the windows down  
As I crawl to the ground If you'd only, if you'd only say yes  
Whether you will's anybody's guess  
God only God knows she won't let me rest  
But I'm just so tired of this loneliness  
I've become so tired of this loneliness
