Trouble Me

Megan Joy

I can feel like you're burning when I walk away
Let me be your accomplice before its too late
I am strong
I am willing
don't you hesitate
Just trouble meTake a moment
Take the rest of your life
I'm not going anywhere
I'll be your shelter in the darkest of nights
When you wake, darlin, I'll be there by your sideJust trouble me
If you're hurting inside
Just trouble me
When you're unsatisfied
Just trouble me
I can be your addiction if you'd only see
Just trouble meThere's a ghoul
That surrounds you like the coldest sea
But I will swim
Better reach you
If it sets you free
In a world of illusions
I'm a guarantee
Just trouble meThere's nothing you can do to turn me away
I'm constant as the north star
Let me try to take away all your pain
Pour out your heart
there's no need to explainJust trouble me
If you're hurting inside
Just trouble me
When you're unsatisfied
Just trouble me
I can be your addiction if you'd only see(Just trouble me)
(Just trouble me)Just trouble me
If you're hurting inside
Just trouble me
When you're unsatisfied
Just trouble me
Just trouble me
Just trouble meOoooooooooooooh
