Dino Dance

Barney

There's a new dance craze sweeping the country
And it's called The Dino Dance
It's a lot of fun and we all hope
You'll give it a chance
Are you ready now?
'Cause it goes like this.First you hop, hop, hop all over the place
Shake your dino tail while you make a funny face
Everybody start twisting and turning
We'll have a lot of fun while we're learning
To do The Dino Dance.
It's a lot of fun as you can see
A dance just right for you and me
So come on!
First you hop, hop, hop all over the place
Shake your dino tail (Shake, shake!) while you make a funny face
Everybody start twisting and turning
We'll have a lot of fun while we're learning
To do The Dino Dance.We're gonna do The Dino Dance.
Somebody stop me!
