

Bring A Man Down

[Mishka](#)

I'm tired of playin' broken hearted games
Life goes on and they're still sayin', no love remains
Well, a beatin' heart ain't broken
That's just what's spoken by the rumors And they're only around to bring a man down
To bring a man down, down, down I meditate and I pray, Jah know I'm waitin'
Longin' to see the day, when we shall be as one
With no divisions on the Earth That bring the life down, that bring the life down
Yeah, that bring the life down It seems I'm waitin', waitin' for the day
And we're already won a realization that the time Is here and right now, you're here and right now
You're here and right now A beatin' heart ain't broken
That's just what's spoken by the rumors And they're only around to bring a man down
To bring a man down, down, down
