

# Louie Louie (BBC John Peel Session 1978)

## Motörhead

Louie Louie, oh baby, we gotta go  
Aye-aye-aye-aye-aye-aye  
Louie Louie, oh baby, we gotta go Y'know, my little girl, she's waiting for me  
Sail a ship across the sea  
On the ship you know I'm all alone  
I wonder if I'll ever make it home Louie Louie, oh no, we gotta go  
Aye-aye-aye-aye-aye-aye  
Louie Louie, oh baby, we gotta go  
Three nights and days I sailed the sea  
I think of girls, oh constantly  
On the ship, you know I dream that she's there  
I smell the roses in her hair Louie Louie, oh baby, we gotta go  
Aye-aye-aye-aye-aye-aye  
Louie Louie, oh yeah, we've gotta go Let's give it to 'em, right now! I see the Jamaica moon above  
I don't know when I'm gonna see my love  
I know I'll hold her in my arms and then  
I'll tell her that I'll never leave her again  
Louie Louie, a-cha-cha-cha-cha  
Louie Lou  
Oh, no, Louie Louie, oh baby, we gotta go  
Hey, hey, hey, hey!
