I Don't Need Love

Evidence

Her look is evil satisfaction
She likes to see me on my knees
Yeah, but just to touch the main attraction
Well, I can put up with the teaseI don't need love
You know what I'm thinkin' of
I can't get enough, no
I don't need loveOoh, there's something crazy goin' down here
She's tryin' to save it, now you can bet
I've never had my hands and face so full of love
And never got to get wet, noI don't need love
And you know what I'm thinkin' of
I can't get enough
I don't need loveI don't really know what love is
Hey, I'm just lookin' for some sex, yeahI don't need love
You know what I'm thinkin' of
I can't get enough, no
I don't need loveYou know what I'm thinkin' of
I can't get enough
I don't need love
I don't need love
