

Creancient

Xavier Rudd & The United Nations

Rise up to creation spirit of the ancients
I ya ISaid receiving slowly colourful visions
Respectful revision of your stories told
Receiving slowly colourful visions
Respectful revision of your stories toldIntense exchange humbled by your medicine
Humbled by your power and the things I saw
Intense exchange humbled by your medicine
Humbled by your power and the things I saw
Rise up to creation spirit of the ancients
I ya ISingin human beings come with pure separation
Eager desperation knocking at your doorWill you hold them
Block them receive them
With truth in your treatment
Will you hold them
Block them receive them
With truth in your treatmentRise up to creation spirit of the ancients
I ya IFreedom since your freedom was taken and sold
Freedom as the cultures uniteonce wil grow
Freedom as the day turns to night
Freedom as the cultures unite
Freedom
Old man sitting beneath the tree
See's serpents of decay and of suffering
Old man sitting beneath the tree
See's power in your stillness and your harmonyRise up
With grace and dignity you set your parameters
Setting the channel for your fruit to grow
