

Day of the Dead

John Southworth

Day ... Day of the Dead
Day to be with you
With you again

Day to be with friends
Friends who are widows
Friends who have left

Mother I won't forget you
Father I won't forget
Brother I'll never leave you
Sister you're still my friend

I see all your faces again
Day of the Dead
Gather the flowers
Bake up the bread

Sky ... sky of white dove
Won't you come find me
Find me my love

Lover I can still feel you
Feel you as the sun sets
Lover I'm right beside you
I never ... I never left

I see your face smiling again
Day of the Dead
Day to be with you
With you again

Day ... Day of the Dead
Day ... Day of the Dead
Ever I love you
