# Breathe Again

## Sara Bareilles

Car is parked, bags are packed
But what kind of heart doesn't look back
At the comfortable glow from the porch
The one I will still call yours?All those words came undone
And now I'm not the only one
Facing the ghosts that decide
If the fire inside still burnsAll I have, all I need
He's the air I would kill to breathe
Holds my love in his hands
Still I'm searching for something
Out of breath, I am left hoping someday
I'll breathe again, I'll breathe againOpen up next to you
And my secrets become your truth
And the distance between
That was sheltering me comes in full viewHang my head, break my heart
Built from all I have torn apart
And my burden to bear
Is a love I can't carry anymoreAll I have, all I need
He's the air I would kill to breathe
Holds my love in his hands
Still I'm searching for something
Out of breath, I am left hoping someday
I'll breathe againIt hurts to be here
I only wanted love from you
It hurts to be here
What am I gonna do?All I have, all I need
He's the air I would kill to breathe
Holds my love in his hands
Still I'm searchingAll I have, all I need
He's the air I would kill to breathe
Holds my love in his hands
And still I'm searching for something
Out of breath, I am left hoping somedayI'll breathe again, I'll breathe again
I'll breathe again, I'll breathe again
I'll breathe again, I'll breathe again
