Pop star, but i fuck him like i'm still hood
Heard he wanna spend money on a red bitch

Wanna see me do tricks with the next chick
Anyway boobs up and my ass out
Somebody get a medic when he pass out
Big nicky in the game nigga
Brick squad i ain't f*ckin
With no lame nigga, ah
Dis that part when i slow it down like this, ahh
Somebody better get da bitch another round, ahh
Fly as fuck i need a co-pilot
When i come out it's a mother f*ckin hoe riot
[hook:]Uh then your size, little waist don't match your thighs
Say you on my level, but my level too high
Looking in your eyes don't look so surprised
I know you ain't heard that before
Touching in the club and i just found one
Pick up lines,i just dropped mine
Single for the night tryin double my fun
So what's up to the bad bitch
And in the corner with her ass big
And hair long i'm grab it
She call me daddy but i'm a bastard like
I ain't tryin to be horse and carrots
I'm Tryna take care, support your bad habbits
I just wanna smash it, smash it,pass it
Show you were the cash is, cash, but first lemme see you,
