### Verse 1

Shes everything youll ever want  
Shes everything she so much more  
Shes never what you could expect

Shell never leave you at the doorAnd when you find this love

You wont let go oh no

Shes everythingVerse 2

Her beauty is not just skin deep

Its everything all the time

The way she kisses on your face

The way she looks into your eyesAnd when you find this love

You wont let go oh no

She is everythingHer face is so much more to you than anything that went before

Unconditional loves she brings and she brings

A whole lot moreAnd when you find this love

You wont let go oh no

You wont let go

She is one of a kind to youTo you
