

Truth Decay

Public Enemy

[Chorus:]

Truth decay brush up on your facts.
All you gotta do is check them stats
But what sense is a census
When they just miss us
But enlist us to fight for their justice
Truth decay brush up on your facts.
All you gotta do is check them stats
But what sense is a census
When they just miss us
But enlist us to fight for their justice

[Chuck-D: First Verse]

Truth is truth
No matter what I think
Knowledge is power
But it ain't
If you cant occupy your own body & mind
See thru the blind
In this place full a lies
Television tellin lies
To your vision and face
Seems like more of us in prison
Than the workplace
Gettin gadgets
So it's easy to forget
Economics
No money
Not a damn thing funny
Some diggin every minute of it
I'm hatin every second of it
Driven
Ever since I heard the lie about thanksgiving
While in still thankful through all that fibbin
The truth dies while lies make a living
History games
Playing stealing family names
Slave names turned into government names
Name of the game is to hide that game
And them lies living on with no shame .no lie

[Chorus:]

Truth decay brush up on your facts.

All you gotta do is check them stats

But what sense is a census

When they just miss us

But enlist us to fight for their justice

Truth decay brush up on your facts.

All you gotta do is check them stats

But what sense is a census

When they just dismiss us

But enlist us to grow and pick their stuff[Chuck-D: Second Verse]

Truth is truth

No matter what I think

I ain't drunk

Cause I don't drink

Don't smoke

Or

Laugh at the facts like stupid ass jokes

Or get lost in my own sauce, I check the source

I challenge information

Trace it to the boss

Refuse to accept the truth

When it be be lost

Lies in the key of new songs

You think it's old news

How come the young don't know

It ain't new because you never knew

I tell them, it's only new to you

Opinion is what it is and its up to you

The challenge information

To see if it's true

Never have so many been screwed by so few

You heard im using it for this song too

Damn crooks

Ask a question get some stupid ass looks

Truth don't sell a lotta records or books

To hell with rapes to murder rates

To lyin on a mixtapes

I want the truth[Chorus:]

Truth decay brush up on your facts.

All you gotta do is check them stats

But what sense is a census

When they just miss us

But enlist us to fight for their justice

Truth decay brush up on your facts.

All you gotta do is check them stats
But what sense is a census
When they just dismiss us
But enlist us to grow and pick their stuff
