When the Day Falls

Motor Ace

Sidelined, still taste the chemistry
Driving home with some decent company
When the day falls you'll get yours
A simple mind fall chasing the dark
So in the daytime, you'll feel
You'll feel the stars, your restless stars
Don't forget by the way I tried to walk away
Out of bed, rubbed my head cause I had no more to say
If I stay, would you stop calling out I walk away
Well I tried, yeah I tried
Sidelined you drowned your sense of time
Lose touch but get a taste of life
When the day falls you'll get yours
A simple mind fall chasing the dark
So in the daytime, you'll feel
You'll feel the stars, your restless stars
Don't forget by the way I tried to walk away
Out of bed, rubbed my head cause I had no more to say
If I stay, would you stop calling out I walk away
Yeah I'll try, yeah I tried
Don't forget by the way I tried to walk away
Out of bed, rubbed my head cause I had no more to say
If I stay, would you stop calling out I walk away
Yeah I'll try, yeah I tried
