Liverpool Rain

Racoon

Stuck in a van
As far away as I possibly can
Stuck in a mood
So far away that it couldn't be good
My back hurts and it rains
Screw England, screw the young and insane
We travel in vain
The dreams are the same

So look at the hero in the Liverpool rain
I'll stick by you forever, and do it in vain
You travel the houses, soothing the pain
Putting a smile on my face once again
So look at the heroes in the Liverpool rain
Are we here in vain

Stuck in a van, and to be honest again
Well, I don't give a damn
Stuck in this mood, and to be honest again
Well, it kinda feels good
Now my back hurts and it rains
And it rains and it rains
Screw England, well, we'll be young and insane
'Cause it's part of the game
And the dreams are the same
Are the same, always the same

So look at the hero in the Liverpool rain
I'll stick by you forever, and do it in vain
You travel the houses, soothing the pain
Putting a smile on my face once again
So look at the heroes in the Liverpool rain
Rain, rain

There's a part of me, there's a part of you
There's a history, to follow what to screw
There's a destiny, one for each of you
And it's such a must to ones to pull us through
Life got nothing than a little and a lot
I've got something to share, so much I forgot

Don't know what it means
Oh, the Liverpool I care

So look at the hero in the Liverpool rain
I'll stick by you forever, and do it in vain
You travel the houses, soothing the pain
Putting a smile on my face once again
So look at the heroes in the Liverpool rain
Rain, rain, rain

Yeah, look at the heroes in the Liverpool rain
I'll stick by you forever, to do it in vain
You travel the houses, soothing the pain
So look at the hero in the Liverpool rain
Rain
