### UGLY lyrics

Who says you have to be attractive to be beautiful  
Aren't we all some kind of wonderful  
Sensational  
Explote-ta-tional  
Who says I have to have legs to be a runner  
Life is what it is who leads the dumber but the dumber  
I may have a bell around my neck  
But, I am not ready to be put out to pasture just yet  
We all got beauty and shades of grey  
If we were all perfect  
What would perfect mean  
That you realize you got something better than me  
And I'm just a loser with no game?

You call me ugly  
Ugly is you  
Cause I don't say those words to you  
Ugly means what it means  
And your being ugly to me  
Ugly, Ugly

Now Ugly can mean all sorts of things  
Let's break it down to it's direct definition in the dictionary  
Unpleasant, unattractive, hideous, unappealing,  
hideous, unloving, unprepossessing, unsightly, horrible  
Frightful, awful, ghastly  
Vile, revolting, repellent, vile  
Repulsive, repugnant, grotesque  
Disgusting, monstrous, reptilian  
Misshapen, deformed, homely  
Plain,fugly  
Now that the definition is made clear  
Ugly is an ugly word

You call me ugly  
Ugly is you  
Cause I don't say those words to you

Ugly means what it means  
And your being ugly to me  
Ugly, Ugly
