Games People Play

Tesla

All the games people play now
Every night, every day now
Never meanin' what they say now
Never sayin' what they meanWhile they while away the hours
In their ivory towers
Till they're covered up with flowers
In the back of a black limousineOh, we make one another cry
Breakin' hearts when we say goodbye
Cross our hearts and we hope to die
Except the other was to blameEither one will ever kill it
So we gaze and we make pretend
Thinkin' 'bout things that might have been
Oww, it's a dirty rotten shameLadandaladandadada, ladandaladandadadee
Talkin' 'bout you and me, and the games people play
Ladandaladandadada, ladandaladandadadee
Talkin' 'bout you and me, and the games people playPeople walkin' up to ya
Singin', "Glory Hallelujah"
Sayin', "What the hell's it to ya?
If we do it in the name of the Lord"We're gonna teach you how to meditate
Preach our hearts from teacher's faith
Put them on a hell of hate
Come on, let's get on boardLadandaladandadada, ladandaladandadadee
Talkin' 'bout you and me, and the games people play
Ladandaladandadada, ladandaladandadadee
Talkin' 'bout you and me, and the games people play[Incomprehensible]Look around, tell me what you see
What's happenin' to you and me
Got burning my serenity
To remember who I am'Cos you're givin' up your sanity
Or your pride and your vanity
Turn your back on humanity
Oww, when you don't give a damn, not a damnLadandaladandadada, ladandaladandadadee
Talkin' 'bout you and me, and the games people play
Ladandaladandadada, ladandaladandadadee
Talkin' 'bout everybody, talkin' 'bout youLadandaladandadada, ladandaladandadadee
(Oh, you and me, you and me)
(I'm talkin' 'bout the games, the games we all play)
Ladandaladandadada, ladandaladandadadee
(Ladandaladandadada, ladandaladandadadee)
(All the games, talkin' 'bout the games people play)Ladandaladandadada, ladandaladandadadee

Ladandaladandadada, ladandaladandadadee
Ladandaladandadada, ladandaladandadadee
