Once in a Lifetime

Wolfsheim

It's getting dark too soon
A threatening silence
Surrounding me
A wind comes up from the islandsWhen distance fades to stormy gray
Washed out from the deep of the ocean
Here I will stand to face your wrath
While all the others are prayingCalm down my heart, don't beat so fast
Don't be afraid just once in a lifetime
Calm down my heart, don't beat so fast
Don't be afraid just once in a lifetimeNo rain can wash away my tears
No wind can soothe my pain
You made me doubt, you made me fear
But now I'm not the sameYou took my wife, my unborn son
Torn into the deep of the ocean
I don't pretend that I love you
'Cause there is nothing left to looseAnd when silence comes back to me
I find myself feeling lonely
Standing here on the shores of destiny
I find myself feeling lonelyI had a life to give, many dreams to live
Don't you know that you're losing so much this time
Beyond the waves, I will be free
While all the others are prayingCalm down my heart, don't beat so fast
Don't be afraid just once in a lifetime
Calm down my heart, don't beat so fast
Don't be afraid just once in a lifetimeNo rain can wash away my tears
No wind can soothe my pain
You made me doubt, you made me fear
But now I'm not the sameYou took my wife, my unborn son
Torn into the deep of the ocean
I don't pretend that I love you
'Cause there is nothing left to looseThe love in you, it does not burn
There is no lesson you can learn
And there are sounds you cannot hear
And there are feelings you can't feelCalm down my heart, don't beat so fast
Don't be afraid just once in a lifetime
I don't pretend that I love you
And this time I'm not scared of you
