

# Once in a Lifetime

## Wolfsheim

It's getting dark too soon  
A threatening silence  
Surrounding me  
A wind comes up from the islands When distance fades to stormy gray  
Washed out from the deep of the ocean  
Here I will stand to face your wrath  
While all the others are praying Calm down my heart, don't beat so fast  
Don't be afraid just once in a lifetime  
Calm down my heart, don't beat so fast  
Don't be afraid just once in a lifetime No rain can wash away my tears  
No wind can soothe my pain  
You made me doubt, you made me fear  
But now I'm not the same You took my wife, my unborn son  
Torn into the deep of the ocean  
I don't pretend that I love you  
'Cause there is nothing left to loose And when silence comes back to me  
I find myself feeling lonely  
Standing here on the shores of destiny  
I find myself feeling lonely I had a life to give, many dreams to live  
Don't you know that you're losing so much this time  
Beyond the waves, I will be free  
While all the others are praying Calm down my heart, don't beat so fast  
Don't be afraid just once in a lifetime  
Calm down my heart, don't beat so fast  
Don't be afraid just once in a lifetime No rain can wash away my tears  
No wind can soothe my pain  
You made me doubt, you made me fear  
But now I'm not the same You took my wife, my unborn son  
Torn into the deep of the ocean  
I don't pretend that I love you  
'Cause there is nothing left to loose The love in you, it does not burn  
There is no lesson you can learn  
And there are sounds you cannot hear  
And there are feelings you can't feel Calm down my heart, don't beat so fast  
Don't be afraid just once in a lifetime  
I don't pretend that I love you  
And this time I'm not scared of you
