Quiet Storm

The Wanderers

Soft and warm a quiet storm
Quiet as when flowers talk at break of dawn
Break of dawn
A power source of tender force
Generatin', radiatin'
Turn me on, turn me on
You short-circuit all my nerves
Promising electric things
You touch me and suddenly
There's rainbow rings
Quiet storm blowin'
Through my life
Quiet storm blowin'
Through my life
Blow, baby
Windy sigh weaken my
Butterfly caught up in a hurricane
Hurricane
Lucky me, I'm better free
Suddenly I'm caught up
In your somber rain
Shower me with your sweet love
I will bathe in every drop
Through all the seasons
Let it pour and never stop
Quiet storm blowin'
Through my life
Through my life
You're just like a
Quiet storm blowin'
Through my life
Through my life
Through my life
Through my life
Oh yeah
Blowin'
Blowin'
You short-circuit all my nerves
Promising electric things

You touch me and suddenly
There's rainbow rings
Quiet storm blowin'
Through my life
Through my life
You're just like a
Quiet storm
Warm and tender
Through my life
Quiet storm you're blowin'
Through my life
Through my life
Through my life
Quiet storm
