

Put Your Hands Up

Nadine Coyle

(Uh, uh, uuuuhhh x3)

Hello, there's something that you wanna tell me

And I know, you always look at me so naughty

Don't go, cause I'ma gonna keep you company

We'll be, the masterpieceStop me boy you can't keep up

Move along, don't hurt yourself

I'll be kind to you-oo-oo-ooWe feel our best

And I'm done with stress

Let's get together...

Put your hands up

Put your, put your hands up

Put your hands up

Put your, put your hands up

We're in it for life

So I'm saying this twice

Let's get together...

Put your hands up

Put your, put your hands up

Put your hands up

Put your, put your hands upYou're alright

I hold you close when we're up dancin'

I'm surprised

You didn't think that you could trust me

Just hold tight

And let the movement take over ya

So-oh-oh, so-oh-ohDon't stop me boy you can't keep up

Just move along, don't hurt yourself

I'll be kind to you-ooo-ooo

(I'll be ki-i-i-i-i-i-i-i-iiiiiiind)We feel our best

And I'm done with stress

Let's get together...

Put your hands up

Put your, put your hands up

Put your hands up

Put your, put your hands up

We're in it for life

So I'm saying this twice

Let's get together...

Put your hands up

Put your, put your hands up
Put your hands up
Put your, put your hands up Ah.....
Ah.....We feel our best
And I'm done with stress
Let's get together...
Put your hands up
Put your, put your hands up
Put your hands up
Put your, put your hands up
We're in it for life
So I'm saying this twice
Let's get together...
Put your hands up
Put your, put your hands up
Put your hands up
Put your, put your hands up(Oh-oh-oh)
(Oh-oh-oh)
