

# Heaven Must Be Like This

Paul Jackson Jr

You know what  
I think heaven is  
I think heaven is you  
You know that a place where I can find happiness  
A place close to your lovliness  
Some where to rest my acking mine al al  
Where there's no time your love just devined  
Heaven must be like this  
It must be like this  
Heaven must be like this  
It must be like this  
The sweet in sour taste of love  
We just made a good place in the shade  
A glass of lemonade al alDon't be afraid just love,  
Heaven must be, heaven, must be, like this  
Heaven must be like this  
Heaven must be like this  
It must be like this,  
Wrap your love around me  
Listen girl there's no place like you  
Your all the places  
A place where I can find happness  
A place close to your lovliness  
Some where to rest my acking mine al al  
Where there is no time  
Heaven must be like this  
It must be like this
