## Let Me Go

## **Maverick Sabre**

I can still taste you on my lips, your tenderness

You always gave me something

The way you made me feel before you left

See you're changing me, dazing me

That this wasn't real, that's not what I want to hear

Oh Lord, still you always keep me wantingOh, let me go, you let me down

When I'm with you, I'm broken now

You made me fail, you understand

With you I won't be, a better man

(You give me the feeling to love you)

But too many reasons why I can't

(You give me the feeling to leave)Only this time it seems, they've always been

The safest place for hiding

People love to say, I'm blind to see

I can't face it, I'm wasted

And you never speak

And that's all I ever need

Oh Lord, still you always keep me wantingOh, let me go, you let me down

When I'm with you, I'm broken now

You made me feel, you understand

With you I won't be, a better man

(You give me the demon to love you)

Got too many reasons why I can't

(You give me the demon to meet)Oh Lord, you picked me up so many times

But now you just break my soul

No more, I tried to stop loving you

But I don't really have control

Oh Lord, no matter how hard I try

I always end up on this road

Oh, still you always keep me wantingOh, let me go, you let me down

When I'm with you, I'm broken now

You made me feel, you understand

With you I won't be, a better man

(You give me the demon to love you)

Got too many reasons why I can't

(You give me the demon to meet)

(You give me the demon to love you)

Every single reasons why I'm back

(You give me the demon to meet)
