

# I've Been Loving You Too Long (To Stop Now)

**Barbara Mandrell**

I've been loving you too long to stop now

You are tired and you want to be free

My love is growin' stronger as you become a habit to me

I've been loving you too long I don't wanna stop now With you my life has been so wonderful, I can't stop now

You are tired and your love is growin' colder

My love is growin' stronger as our affair grows older

Well, I've been loving you too long I've been loving you, oh, too long

Well, I've been loving you too long to stop now
