Misconception

Useless ID

Shout. Make them hear us out.
Haven't we seen enough?
Rights? What it's all about
They won't let us be a part.Our lives, one minefield
There's more to this than two nations burning up.
No one can save us once it's done.They've got an urge to ruin
Every step they're taking leads to worse
It's time we all take action,
Because every word is a misconception.Out. Keep the soldiers out.
The enemy is wearing a suit and tie.
Doubt (DOUBT!) what they preach about.
We heard it all and see it now.Resist, our nation
Hides the past and makes the same mistakes again.
We didn't vote for war.They've got an urge to ruin
Every step they're taking leads to worse
It's time we all take action,
Because every word is a misconception.If we're all born divine to a place
Thats not really yours or mine,
Should we never wonder why?They've got an urge to ruin
Every step they're taking leads to worse
It's time we all take action,
Because every word is a misconception.Every word is a misconception.
Every word is a misconception.
Every word is a misconception.
Every word is a misconception.
