

# Anything Can Happen

Gavin Lee, Charlotte Spencer, Harry Stott, Laura M

I got the skully to my face, I got the skully to my face  
    'Cause anything can happen at the Carnival  
    You can't stop the shining yo, don't slip my drink  
    You don't want to go there is all, trust me  
I know your girl wit you, but you don't want to get embarrassed  
    Trust me  
Yo, when you're rolling to the Carnival, anything can happen  
    What, what? Say what, say what, anything can happen  
    Making love to your girlfriend, anything can happen  
    What? Say what, say what, anything can happen  
She's sleepin' wit your best friend 'cause anything can happen  
    What? Say what, say what, anything can happen  
    You roll down the block, come back with your gat  
    And pow, 'cause anything can happen  
    Feel this composition, it's a brand new dub  
    First thing I did was went to the pub  
    Tequila with worm, lemon, salt, and no rocks  
    'Cause when it hits my chest it gots to be hot  
    Uh ha ha, stop, 'Clef can I rock you?  
Get out the bathroom, let me go again from the top  
    Feel this composition, I wrote it in the tub  
    First thing I did was went to the pub  
    Tequila with worm, lemon, salt, and no rocks  
    'Cause when it hits my chest, it gots to be hot  
    Ah, stop, 'Clef can I rock?  
I'd like to give a shout out to my people on the block  
    For you Silly Willy playin' thug cartoon  
    My infrared scope got your movements on zoom  
    Boom new toon, write songs in my room  
Sleeping with the bride, even though I ain't the groom  
    Your husband assume, come back with his goons  
    Put me in the trunk on your way to your honeymoon  
    Radio my platoon, Wyclef to Sev'  
I hear them playing Elvis, they on they way to Graceland  
    But they don't scare me, I'm in the trunk, I ain't sorry  
    Natural born killer, who slept with the enemy  
Think quick, what should I do, what did double-oh-seven do?  
    I pulled a bomb from my shoe and exploded the trunk  
    I woke up half drunk over looked by a bunch of gypsies

Wit a bag of skunk

You got the skully to your face, star, anything can happen  
What, what? Say what, say what, anything can happen  
Sellin' crack in the corner, man, anything can happen  
What? Say what, say what anything can happen  
I just got laid off, anything can happen  
What, what? Say what, say what, anything can happen  
You don't wanna go there, 'cause anything can happen  
What, what? Say what, say what, anything can happen  
Aiiyo, anything can happen, you can't stop the shining  
You lookin' at my watch, but my mind's really the diamond  
Nine to the Seven, you better off steppin'  
When I'm writin' with my pen, it turns into a lethal weapon  
Take this lesson, to your next session  
I suggest, you practice with the freshman  
Sophomore, junior, then come check the senior  
By then I would have graduated from the school of ruckus  
Wyclef and Jerry Wonder, last of the producers  
If the royalty ain't right, I put a call to Donny Eina  
But always stay humble went from bummy to neat  
'Cause money break groups up like the Five Heartbeats  
Don't get souped 'cause you, pushin' a Coupe  
Next year you on foot, runnin' from a lawsuit  
For example, I know I'm nice, I don't front it  
Least anticipated, to the most wanted  
Yeah, that's me in the spotlight  
With a mic and a guitar, like M.O.P., I like it raw  
Yo, when you're rollin to the Carnival, anything can happen  
What, what, say what, say what, anything can happen  
Every man got disciples, anything can happen  
What, what? Say what, say what, anything can happen  
It's all about survival man, anything can happen  
Say what, say what, anything can happen  
You lookin' at me wrong, man, anything can happen  
What, what? Say what, say what, anything can happen  
Will the Knicks win the championship this year?  
Say what, say what, anything can happen  
Will we find some peace of mind this year?  
Say what, say what, anything can happen  
You ready for the revolution this year?  
Say what, say what, anything can happen  
Will you make love with no condom this year?  
No no, no no, that will never happen  
The record is not over yet  
The record is not over yet

The record is not over yet  
Where the ladies at? Put yo' hands in the air!  
And for the ladies, we won't play you  
If you proud, shake what your mama gave you, hey!  
Whether you're fat or slim, bubble your ting  
Fellas if you need help, use ginseng  
And for the ladies, we won't play you  
If you fat, shake what yo mama gave you, hey!  
Whether you're fat or slim, bubble your ting  
Refugee thugs hang at the roller rink  
Roller skatin' baby, Carnival  
Make room, for the Carnival, make room  
And it don't, nine-seven to infinity  
Rest in peace, rest in peace and the record is not over yet  
The record is not over yet, it is not, the record
