Lonely

Dreezy

[Hook]
I just wanna have somebody that's for me only it's hard to find the one when all these niggas be on me I thought that we was ment to be but I want you to show me cuz let's be honest nobody wants to be lonely nobody wants to be nobody wants to be lonely be lonely nobody wants to be nobody wants to be be lonely be lonely

[Verse 1:]
I showed you part of me that nobody's ever seen you aint appreciate it but you sat in front of me and said you was in love with me and I believed you babe aye, but I tend to forget that these niggas ain't shit, kiss you right on yo lips that they happen to flip like you wasn't his bitch told you he was in love bitch he read you the script 100 this as real as it gets you think you the one you just one on the list so I text all these niggas and give then the time that I offered you let em pull up and me prolly roll a stoggy just to get my mind off of you Cuz I know you out wit ya back up if I catch err she gon need back up so maybe I should just back up put my guards down I put em back up

[Hook]
I just want somebody that's for me only it's hard to find the one when all these niggas be on me I thought that we was ment to be but I want you to show me Cuz let's be honest nobody wants to be lonely nobody wants to be nobody wants to be, be lonely be lonely nobody wants to be nobody wants to be, be lonely be lonely

[Verse 2:]
It once was you and me but you wouldn't let it be your so difficult and really all you need is me I wish that you could see your so difficult aye, I'm looking for somebody but not just anybody Cuz if I give you my body then I won't give it ti anybody but you tweekin stayin late on the weekends you lying you sneaking she text you I'm peekin you thought I was sleepin you wit ha you cheating I cheated but creeping I'm heated I'm threw so I called up one of my niggas and told em come through aint got feelings for em but I told em that he was my boo let him lay me down the whole time I was thinking bout you but what hurts the most is I know that you be layin up to

[Hook]
I just wanna have somebody that's for me only it's hard to find the one when all these niggas be on me I thought that we was ment to be but I want you to show me cuz let's be honest nobody wants to be lonely nobody wants to be nobody wants to be be lonely be lonely nobody wants to be nobody wats to be be lonely be lonely nobody wants to be nobody wants to be be lonely be lonely nobody wants to be nobody wants to be be lonely be lonely
