How I Roll

Britney Spears

Burn it all down
Wanna buy another round
Gonna light up in the sound of the speaker
Show your knee socks
Drink tequila on the rocks
'Til you make your body pops
To the speaker
Burn it all down
Wanna buy another round
Gonna light up in the sound of the speaker
Show your knee socks
Drink tequila on the rocks
'Til you make your body pops
To the speaker
(I wanna go)
Downtown where my posse's at
(Because I got)
Nine lives like a kitty cat
(Uh, you wanna roll)
(That's how I roll)
(I wanna go)
Bling bling when I hear that bass
(I'm gonna do)
My thing if you want a taste
(Uh, you better know)
(Uh, that's how I roll)
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Feel the earth quake
Gonna make your body shake
'Til the circuits start to break
In the speaker
Can we get fly
Helicopter in the sky
'Cause we turn it up high in the speaker
If you know what it takes to be my man
We can go make love together

You can be my thug tonight
We can tear it up tonight

(I wanna go)
Downtown where my posse's at
(Because I got)
Nine lives like a kitty cat
(Uh, you wanna roll)
(That's how I roll)
(I wanna go)
Bling bling when I hear that bass
(I'm gonna do)
My thing if you want a taste
(Uh, you better know)
(Uh, that's how I roll)
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Shimmy shimmy ya shimmy yo shimmy yay
We could give them what they want or we could take it away
Try luck tonight
We could tear it up tonight
If you know what it takes to be my man
We can go make love together
You can be my thug tonight
We can tear it up tonight
(I wanna go)
Downtown where my posse's at
(Because I got)
Nine lives like a kitty cat
(Uh, you wanna roll)
(That's how I roll)
(I wanna go)
Bling bling when I hear that bass
(I'm gonna do)
My thing if you want a taste
(Uh, you better know)
(Uh, that's how I roll)
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
Bum bum bum ba da dee dum bum bum
