

Music Of The Night

Michael Ball

Night time sharpens
Heightens each sensation
Darkness wakes
And stirs imagination
Silently the senses
Abandon their defenses
Helpless to resist the notes I write
For I compose the music of the night Slowly, gently
Night unfurls its splendor
Grasp it, sense it
Tremulous and tender
Turn your face away
From the garish light of day
Turn your thoughts away from cold unfeeling light And listen to the music of the night Close your eyes
And embellish on your darkest dreams,
Purge all thoughts of the life you knew before,
Close your eyes, let your spirit start to soar
And you'll live like you've never lived before Softly, deftly
Music shall caress you
Hear it, feel it
Secretly possess you
Open up your mind
Let your fantasies unwind
In this darkness which you know you cannot fight
The darkness of the music of the night Let your mind start a journey through a strange new world,
leave all thoughts of the world you knew before,
let your soul take you where you long to be,
only then can you belong to me. Floating, falling
Sweet intoxication
Touch me, trust me
Savor each sensation
Let the dream begin
Let your darker side give in
To the power of the music that I write
The power of the music of the night You alone can make my song take flight
Help me make the music of the night
