

# Spring Affair

## Starfire

Ooh, something's coming over me  
Ooh, I think it's got a hold on me  
It's got me Ooh, just the man I hoped you'd be  
Ooh, just the man to set me free  
You got me, you got all of me Spring affair, spring affair, spring affair  
And I'm hung on you, oh yeah  
Spring affair, spring affair, spring affair  
And we've got something new Ooh, you're the sunshine in my life  
Ooh, how you come on shining bright  
You got me Ooh, the feeling's getting really strong  
Ooh, you give me strength to carry on  
You got me, you got all of me Spring affair, spring affair, spring affair  
And I'm hung up on you, oh yeah  
Spring affair, spring affair, spring affair  
And we've got something new, oh yeah It's a spring affair  
It's a spring affair  
It's a spring affair  
Ooh, ooh, ooh
