

Stronger Through the Years

Roxy Music

Through the undercover hour
Bad and bleak
To be brief, too much sorrow
Flesh is weak No more feelings, no more tears
The river's wide enough
Flowing stronger through the years [Incomprehensible]
Silver lips kisses borrowed
Glances steal
To be quick, how they quiver
Too late they're sealed No more feelings, no more tears
The river's wide enough
Flowing stronger through the years Through the years
[Incomprehensible]
