every time i come a jigga gotta set it then i got it going, then i gotta get it then i gotta blow and then i gotta shudder anything the jigga think that he be doin' cause it doesnt matter cause im gonna dadadadada
then im gonna murder everything anything badaboom badabing gotta do alot of things and make it clearer to a couple jiggas that im always winnin' and i gotta get it again and again and again.
(breathe)
and i be doin it to death snd i move a little foul jigga better call a ref, and everybody know my style, jiggas know that im the best when im come doin this i be bangin on my chest.
