

# Blue Water

## Stevie Nicks

Blue water  
Sit and I wait  
For the morning to come  
Blue water  
And I wait for the sound of my gypsy  
Blue waterI sit not in flight  
Hidden, not in sight  
Blue water  
Blue waterAnd I stare at the sea  
And the sea smiles for me  
And the sea  
Is as moving  
As a loverI can't give up the night  
I'm in high tide  
I'd like to sail the sea  
I'd like to take you on a slow rideBlue water  
I sit and I wait for the morning to come  
Blue water  
And I wait for the sound of my gypsy  
Blue waterI sit not in flight  
Hidden, not in sight  
Blue water  
Blue waterAnd I smile at the sea  
And then the sea smiles for me  
And the sea is as moving  
As a loverI can't give up the night  
I'm in hide tide  
I'd like to sail the sea  
I'd like to take you on a  
Slow rideI can't give up the night  
I'm in high tides  
I'd like to be your friend  
I'd like to love you till the endBlue water  
Blue waterWell I sit and I wait  
For the morning to come  
Blue water  
Then I wait for the sound of my gypsy  
Blue waterWell I sit and I wait  
For the morning to come
