

# Talk to Me

## Peaches

Why don't you talk to me  
Why don't you talk to me  
I'm standing here alone  
I know you'll never phone  
Why don't you talk to me  
Why don't you talk to me  
Come say it to my face  
So we can leave this place  
Why don't you talk to me

What you're thinking I will never know  
Now's the time for you to let it go  
Let it go what holds you tight  
Scream at me for just one night

Why don't you talk to me  
Why don't you talk to me  
Come on and dig your hooks  
Instead of dirty looks  
Why don't you talk to me

Stop  
You've got no where to go  
No blame no shame this ain't a peaches show  
It's just me and you 4x

There's no one for you to hide behind  
Stop pretending that the problem's mine  
Lift your head and look me dead in the eye  
What made you do bitter inside

Why don't you talk to me  
Why don't you talk to me  
Because I'm standing here  
I've got an open ear  
Why don't you talk to me

Go go go come on spit it out  
Rolls off your tongue right out your pretty mouth  
You've got to see it to believe it

Got to see it to believe it  
Got to see it got to see it

See why don't you talk to me  
Why don't you talk to me

Why don't you talk to me  
Talk to me talk talk to me  
Talk to me talk talk to me  
Talk to me talk talk to me
