

Modern Man

Jason Purcell

So I wait my turn, I'm a modern man
And the people behind me they can't understand
 Makes me feel like....
 Makes me feel like....
So I wait in line, I'm a modern man
And the people behind me they can't understand
 Makes me feel like....
Something don't feel rightLike a record that's skipping, I'm a modern man
 And the clock keeps ticking, I'm a modern man
 Makes me feel like....
 Makes me feel like....
In my dream I was almost there then they pulled me aside and said you're going nowhere
 They say we are the chosen few but we waste it
 And that's why we're still waitingOn a number from the modern man
 Maybe when you're older you will understand why you don't feel right
 Why you can't sleep at night no
 In line for a number but you don't understand like a modern man
In line for a number but you don't understand like a modern manOh, I had a dream, I was dreaming and I feel
 I'm losing the feeling
 Makes me feel like....
 Like something don't feel right
 I erase the number of the modern man
 Wanna break the mirror of the modern man
 Makes me feel like....
 Makes me feel like....
In my dream I was almost there then they pulled me aside and said you're going nowhere
 I know we are the chosen few but we waste it
And that's why we're still waitingIn line for a number but you don't understand like a modern man
 In line for a number but you don't understand like a modern man
 If it's alright then how come you can't sleep at night
In line for a number but you don't understand like a modern manI'm a modern man
 I'm a modern man
 I'm a modern man
