

# Headphones

## Radio Killer

People talking, they don't bother me,  
I got my music on and i don't even listen.  
I got my rhythm, got my own beat,  
Standing still, but i'm dancing inside. So won't u leave me alone  
just me and my headphones... So now i'm shutting down the world  
just me and my headphones... work,  
sleep,  
repeat,  
keep on movin' to the beatwork,  
sleep,  
Move your feet,  
Spin the record on repeat.  
work,  
sleep,  
repeat,  
Keep on movin' to the beat. Go ahead and leave me to my own device,  
Run ya mouth cause' I'm really not paying attention,  
Don't feel like taking anyone's advice,  
I'm jammin' to the soundtrack of my life. So won't you leave me alone  
Just me and my headphones... So now i'm shutting down the world  
Just me and my headphones... work,  
sleep,  
repeat,  
keep on movin' to the beat  
work,  
sleep,  
Move your feet,  
Spin the record on repeat. work,  
sleep,  
repeat,  
Keep on movin' to the beat. keep on movin', keep on movin'  
keep on movin', keep on movin'. Enjoy MissIro
