

# Smokin' On

## Snoop Dogg

Bet you get high but I ain't smoking with the rest though  
Cause if it's in my joint, believe that it's the best smoke  
I'm talking OG kush from the West Coast  
Watch how you hit it, just one bit will burn your chest, though

Cut those cameras on cause my camos on  
And my niggas backin' me riding around town  
With a big old bag of weed  
Taylor Gang, we ain't in your faculty  
Me and Snoop Dogg, we created a masterpiece  
Smoke all day and I'm makin' this cash, and we  
Bout it bout it like Master P  
Go hard, stack ya cheese, roll a joint, pass the trees  
TGOD, he's the OG, real G shit what it has to be  
My real nigga gon' pop tags for me  
Fake niggas gon' get bags for me  
Say you just wanna shake hands with me?  
Same fuck niggas used to laugh at me  
Now I'm riding around town in the car that you can't even pronounce  
And you can't go fast as me  
Smoking marijuana, and she know that I'm a player  
So she wanna come up here and spend this cash on me  
That pimp shit come naturally  
That fuck shit is whack to me  
My kush grown organically  
My ballin' is actually

Bet you get high but I ain't smoking with the rest though  
Cause if it's in my joint, believe that it's the best smoke  
I'm talking OG kush from the West Coast  
Watch how you hit it, just one bit will burn your chest, though fo' sho'

You like to smoke but you ain't smokin' what we smokin' on  
You like to smoke but you ain't smokin' what we smokin' on  
You like to smoke but you ain't smokin' what we smokin' on  
You like to smoke but you ain't smokin' what we smokin' on

Let me turn you on and turn you out  
To make you feel like you really wanna feel  
For real, sho will, nigga I got that kill

You know what I got Captain Crunch, soda pop  
Light green kush cut from a bush  
Mix it together, get it together  
Hypo grow with the hydro flow  
Smoking on some shit called I donâ€™t know  
This is the shit that was caught  
From my niggas on the block with a .44 Glock, oh no!  
Cuttin it up, button it up  
Homie donâ€™t speak at all  
You might escape, you might be most likely like shark bait  
I might hate, nigga you smoking that lightweight  
Wrong class, featherweight, levitate  
Set it straight, let me break it down for you  
Clip it, zip it, let it fly  
If itâ€™s good, itâ€™s gonna get you high  
Drop it, stop it, that ainâ€™t the one  
We donâ€™t even smoke that shit for fun!

Bet you get high but I ainâ€™t smoking with the rest though  
Cause if itâ€™s in my joint, believe that itâ€™s the best smoke  
Iâ€™m talking OG kush from the West Coast  
Watch how you hit it, just one bit will burn your chest, though fo' sho'

You like to smoke but you ainâ€™t smokin' what we smokin' on  
You like to smoke but you ainâ€™t smokin' what we smokin' on  
You like to smoke but you ainâ€™t smokin' what we smokin' on  
You like to smoke but you ainâ€™t smokin' what we smokin' on

Yea nigga, Iâ€™m rolling up that high-grade  
Chillin' on the porch, smoking like itâ€™s Friday  
Every day of the week to Juicy Jâ€™s a high day  
Niggas think Iâ€™m Chinese cause my eyes straight  
I threw up a six into a twenty ounce  
Smoked a half ounce of kush, felt like twenty ounces  
Fucked around and popped a molly now Iâ€™m high as fuck  
Every Jacob seeing, Juicy screamin' out 'letâ€™s fuck!'  
I dun popped a pill and hit the lean behind it  
Where my mind? Somebody help me find it  
Got a black and white bitch, they my mixed bitch  
They keep my double cup full, OG in my Swisher

Bet you get high but I ainâ€™t smoking with the rest though  
Cause if itâ€™s in my joint, believe that itâ€™s the best smoke  
Iâ€™m talking OG kush from the West Coast

Watch how you hit it, just one bit will burn your chest, though fo' sho'

You like to smoke but you ainâ€™t smokin' what we smokin' on  
You like to smoke but you ainâ€™t smokin' what we smokin' on  
You like to smoke but you ainâ€™t smokin' what we smokin' on  
You like to smoke but you ainâ€™t smokin' what we smokin' on
