

Magic Fly

Space

Open up your heart, what do you feel
Open up your heart, what do you feel, is real
The big bang may be a million years away
But I can't think of a better time to say
 World, hold on
Instead of messing with our future, open up inside
 World, hold on
One day you will have to answer to the children of the sky
 Look inside, you'll find a deeper love
 The kind that only comes from high above
 If you ever meet your inner child, don't cry
 Tell them everything is gonna be alright
 World, hold on
Come on, everybody in the universe, come on
 World, hold on

One day you will have to answer to the children of the sky
 Children of the sky, alright
 Don't take no for an answer, no no, alright
 Right here, spread love, everybody join together now
 One race, one heart, love and unity, everybody sing
 yeah!
 World, hold on
Come on, everybody in the universe, come on
 World, hold on
One day you will have to answer to the children of the sky
 World, hold on
Come on, everybody in the universe, come on
 World, hold on
One day you will have to answer to the children of the sky
 Open up your heart, what do you feel
 Open up your heart, what do you feel, is real
