Champagne Year

St. Vincent

So I thought I'd learned my lesson
But I secretly expected
A choir at the shore
And confetti through the fallen air

I'll make a living telling people what they want to hear
It's not a killing, but it's enough to keep the cobwebs clear

'Cause it's not a perfect plan
It's not a perfect plan
But it's the one we've got

It's not a perfect plan
But it's the one we've got

'Cause I make a living telling people what they want to hear
But I tell ya, it's gonna be a champagne year
