

Weekapaug Groove

Phish

He walked on down the hall...
Walked on down the hallHe said, "Mother..."
"Father, I want to kill you..."
"Mother..."
I want to cook you breakfast...
I want to cook you breakfast, Mother...
Mother... I wanna cook you breakfast...
Then I wanna... I wanna borrow the car...
Then I wanna borrow the car...
Then I wanna..."Ooooooooooh
Trying to make a woman match your moves
Ooooooooooh
And I'm sharing in the Weekapaug groove
Trying to make a woman match your moves
Ooooooooooh
And I'm sharing in the Weekapaug groove
Trying to make a woman match your moves
Ooooooooooh
And I'm sharing in the Weekapaug groove
