## **Phish**

Walked on down the hallHe said, "Mother..."

"Father, I want to kill you..."

"Mother...

I want to cook you breakfast...
I want to cook you breakfast, Mother...
Mother... I wanna cook you breakfast...
Then I wanna... I wanna borrow the car...
Then I wanna borrow the car...
Then I wanna..."Oooooooooh
Trying to make a woman match your moves
Oooooooooh

And I'm sharing in the Weekapaug groove Trying to make a woman match your moves Oooooooooh

And I'm sharing in the Weekapaug groove
Trying to make a woman match your moves
Oooooooooh
And I'm sharing in the Weekapaug groove
