

Only Love Can Break Your Heart

Everlast

When you were young and on your own
How did it feel to be alone
I was always thinking of games that I was playing
Trying to make the best of my time {Chorus}
But only love can break your heart
Try to be sure right from the start
Yes only love can break your heart
What if your world should fall apart I have a friend I've never seen
He hides his head inside a dream
Someone should call him and see if he can come out
Try to lose the down that he's found {Chorus} I have a friend I've never seen
He hides his head inside a dream
Yes, only love can break your heart
Yes, only love can break your heart
