To Hell With Good Intentions

mclusky

My love is bigger than your love
We take more drugs than a touring funk band, sing it
My love is bigger than your love, sing it
My love is bigger than your love, sing itMy band is better than your band
We've got more songs than a song convention, sing it
My love is bigger than your love, sing it
My love is bigger than your love, sing itAnd we're all going straight to hellMy dad is bigger than your dad
He's got eight cars and a house in Ireland, sing it
My love is bigger than your love, sing it
My love is bigger than your love, sing itWhen we gonna torch the restaurant? Sing it
When we gonna pay the guide dog? Sing it
My love is bigger than your love, sing it
My love is bigger than your love, sing itAnd we're all going straight to hellMy love is bigger than your love
We take more drugs than a touring funk band, sing it
My love is bigger than your love, sing it
My love is bigger than your love, sing itWhen we gonna torch the restaurant? Sing it
When we gonna get excited? Sing it
My love is bigger than your love, sing it
My love is bigger than your love, sing itAnd we're all going straight to hell
And we're all going straight to hell
