

# Cannot Contain This

## Moloko

Don't put yourself down  
Don't be hard on yourself  
You didn't do wrong, baby  
Don't blame yourself I know how you feel  
I've been there myself  
It's what the devil my fare  
What do you care  
Can you control yourself? I won't stick around  
To watch you get colder  
I know I couldn't be told  
Don't suppose  
Now I'm a little older The fault was all mine  
I don't blame you if you blame me  
I know I was wrong  
I just cannot contain this I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this Just cannot contain this  
Just cannot contain this  
I just cannot contain this  
Just cannot contain this  
I just cannot contain this And if it's a crime  
Then can you explain to me  
Where do I belong  
I just cannot contain this Cannot contain this  
Just cannot contain this  
I just cannot contain this  
I just cannot contain this I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this  
I just cannot, just cannot contain this I just cannot contain this  
Just cannot contain this  
I just cannot contain this  
Just cannot contain this  
I just cannot contain this Cannot contain this  
Just cannot Just cannot, I just cannot  
Just cannot, I just cannot  
Just cannot contain this  
Just cannot contain this
