Liar

Three Dog Night

I won't ever leave, you want me to stay
Nothing you can do that could turn me away
Hanging on anyway, believing the things you say
Being a foolYou've taken my life so take my soul
That's what you said and I believed it all
I want to be with you as long as you want me to
But don't move awayAin't that what you said?
Ain't that what you said?
Ain't that what you said?Liar, liar, liarMay I see no light, may I see no day
I may be leaving but you want me to stay
You can believe in me, I won't be leaving
I won't let you goAin't that what you said?
Ain't that what you said?
Ain't that what you said?Liar, liar, liarYou've taken my life so take my soul
That's what you said but who are we to know
I want to be with you as long as you want me to
So don't move awayAin't that what you said?
Ain't that what you said?
Ain't that what you said?Liar, liar, liar
