

# Far, Far Away

[Wilco](#)

Far, far away from those city lights  
Might be shining on you tonight  
Far, far away from you  
On the dark side of the moon I long to hold you in my arms and sway  
Kiss and ride on the CTA  
I need to see you tonight and those bright lights  
Oh, I know it's right, deep in my heart I'll know it's right By the bed, by the light that you read by  
By the time that I get home to say "Good night"  
I need to see you again on the dark side, my friend  
On the dark side
