

# Katy Brought My Guitar Back Today

[Rhett Akins](#)

Katy brought my guitar back today  
That's how she let me know that it's all over  
I remember all those nights  
Sittin' in the fireplace light  
How she loved to hear me play  
But Katy brought my guitar back today Katy brought my guitar back today  
I've seen it make her cry over and over  
She told me when I wasn't there  
She would wake up feeling scared  
She'd hold it in her arms and be okay  
Katy brought my guitar back today We had our stormy times like anybody else  
More than once I broke her heart  
When I couldn't tell her I was sorry by myself  
I could tell her with that old guitar  
But I'm afraid this time things have gone too far Katy brought my guitar back today  
I guess that means this time it's really over  
As I sit and play it now  
The songs all seem so sad somehow  
I wish she'd just thrown that thing away  
But Katy brought my guitar back today I remember all those nights  
Sittin' in the fireplace light  
How she used to love to hear me play  
But Katy brought my guitar back today
