Linda Linda

Masters Apprentices

I Want Life
To Be
Beautiful
Just As Beautiful
As A Gutter Rat
There Are Parts Of Me
I've Hidden From You
And They Will Never Show
In Photographs
Linda Linda - Linda Linda Linda
Linda Linda - Linda Linda Linda
On The Day
When We Meet
We Will Talk
About Love
Understand
Every Word I Say To You
And On That Day
When We Meet
You Will Feel It
In Your Soul
And I'll Say The Only Name
I've Ever Loved
Linda Linda - Linda Linda Linda
Linda Linda - Linda Linda Linda
You Are Kind To Me
And You Are Warm
Darling You're Just
Like A Gutter Rat

You Are Soft To Me
And You Are Sweet
Just Like A Gutter Rat
Now How About That!?
Oh, Linda Linda - Linda Linda Linda
Linda Linda - Linda Linda Linda
On The Day
When We Meet
We Will Talk

About Love
Understand
Every Word I Say To You
And On That Day
When We Meet
You Will Feel Me
In Your Soul
And You'll Know
The Only
Thing You'll Ever Know
Even If It's Not Real Love
I Won't Leave You
Just Because
I Have One Name That I Love
And One Alone
You Are Strong Just Like A Rat
And I Catch You Like A Cat
I Will Say Your Name Until The Day I Die
Oh, Linda Linda - Linda Linda Linda
Linda Linda - Linda Linda Linda
