

Linda Linda

Masters Apprentices

I Want Life

To Be

Beautiful

Just As Beautiful

As A Gutter Rat

There Are Parts Of Me

I've Hidden From You

And They Will Never Show

In Photographs

Linda Linda - Linda Linda Linda

Linda Linda - Linda Linda Linda

On The Day

When We Meet

We Will Talk

About Love

Understand

Every Word I Say To You

And On That Day

When We Meet

You Will Feel It

In Your Soul

And I'll Say The Only Name

I've Ever Loved

Linda Linda - Linda Linda Linda

Linda Linda - Linda Linda Linda

You Are Kind To Me

And You Are Warm

Darling You're Just

Like A Gutter Rat

You Are Soft To Me

And You Are Sweet

Just Like A Gutter Rat

Now How About That!?

Oh, Linda Linda - Linda Linda Linda

Linda Linda - Linda Linda Linda

On The Day

When We Meet

We Will Talk

About Love
 Understand
 Every Word I Say To You
 And On That Day
 When We Meet
 You Will Feel Me
 In Your Soul
 And You'll Know
 The Only
 Thing You'll Ever Know
 Even If It's Not Real Love
 I Won't Leave You
 Just Because
 I Have One Name That I Love
 And One Alone
 You Are Strong Just Like A Rat
 And I Catch You Like A Cat
 I Will Say Your Name Until The Day I Die
 Oh, Linda Linda - Linda Linda Linda
 Linda Linda - Linda Linda Linda
