Diva

Dana International

She is all
you'll ever dream to find
On her stage
she sings her story
Pain and hurt
will steal her heart alight
Like a queen
in all her gloryAnd when she cries
Diva is an angel
When she laughs
she's a devil
She is all beauty and loveChorus:
Viva Maria
Viva Victoria
Aphrodite
Viva la Diva
Viva Victoria
CleopatraSilent tears
drop from these eyes tonight
Tears of prayer
for all those aching heartsAnd when she cries
Diva is an angel
When she laughs
she's a devil
She is all beauty and loveChorus
